**What could the people of God do for the kingdom of God if they were debt-free? We could change the world!**

God desires us to :

Live debt-free so that we are not slaves to our lenders (Proverbs 22:7).

Save our money and leave an inheritance to our children (Proverbs 13:22).

Give generously from a glad heart (2 Corinthians 9:6-7).

### WHAT IS FREEDOM?

Eagles- it is time to soar in freedom! Eagles are a symbol of freedom. What does it mean to be free? One definition is: not subject to the control or domination of another, not bound or confined.

Eagles are free to soar high above the activities of earth. Just as eagles are free to soar in the natural, God has made you free to soar spiritually, high above the activities of the earth. When have you ever seen an eagle walking around in the earth, entangled by the cares of this world? NEVER! If we are risen with Christ, let's seek those things which are above where Christ sits on the right hand of God and let us set our affections on things above, not on things upon the earth. For we are dead and our lives are hidden with Christ in God!

In New Testament times,

slaves were very costly. When a slave was on the market to be bought, a master would inspect the "merchandise" to see if the slave was worth the asking price. Once the price was offered and accepted, that slave became the personal property of the one who purchased him. However, at times, a caring and compassionate person would buy slaves with the sole purpose of purchasing slaves OUT of slavery to liberate them and set them free! In this case, the payment offered was called a ransom - paid to obtain freedom for slaves.

Our freedom from Satan's power was costly. The price Jesus paid was the highest price ever paid for a slave. He paid the price with His own blood, purchased us for Himself and gave us true freedom! That means we are no longer subject to the control or domination of another! We are not bound or

confined by the enemy!! Saints, we are free!!! Redeemed by the blood of the Lamb.

IN HIM we live and move and have our being! He is our life! Our very existence is now one with Almighty God. He lives in us, we live in Him. We have this treasure of love, joy, peace, faith, victory and freedom in our earthen vessels. What a wonderful freedom!

## A Message from Our TEN Director... by Minister Sumaya White

### What is going on with TEN?

The Eagles Network now has a newsletter with the purpose to connect, encourage, share and support each other. It is our chance to highlight what God is doing. Every location with a TEN will be contributing which means it could be YOU! Look for poetry, a testimony, or sharing what God has done through TEN. Graduates are encouraged to submit too! Send submissions to [TENWorldwide@gmail.com](mailto:TENWorldwide@gmail.com).

TEN PRAYER WATCH is set up just for you! Prayer changes everything, and there is power in numbers. The Word admonishes us to know that if 1 can chase 1,000 then 2 can chase not 2,000 but 10,000. Wow! That is *Kingdom Mathematics*! During the TEN Prayer Watch you will be invited to participate. Each Watch will be led by an Eagle using the book, Prayers that Rout Demons, by John Eckhardt. (I encourage each of you to purchase

this book.) Not only will we be praying from this book, but we are asking for you to submit your personal prayer requests via email ([TENWorldwide@gmail.com](mailto:TENWorldwide@gmail.com)) or on the call, we can address any prayer needs of those on the watch. Let's all celebrate Eagle Angela Twyman who is the TEN Prayer Watch Coordinator.

TEN Children is another exciting new launch which Eagle Cynthia Dempsey '06 is the Director!

You may ask what makes one part of the TEN Family? It is simple; if you are a TEN Leader, Teacher, Assistant, a TEN Member (due to graduating) or even if you only attended one or two of the TEN Modules, you are a part of the larger TEN family. So again WELCOME to the FAMILY! I look forward to this upcoming year together

## What is your PERSPECTIVE? What is it that YOU SEE...

**PERSPECTIVE**...this speaks about your sight...what you see and how you see what you see. It is with your perspective that you determine how a situation will impact you. It is your perspective that will determine your ability to clearly perceive the situation before you. If you take the word Perspective and break it down into its two parts, you will find the following ~ 1) **PER** = through, 2) **SPECERE** = to look – more at. To look more, to look through ~ WOW! It is your eyes that you use to look, but truly it is only with your spiritual eyes that you are able to look *through* and *see*...does this remind you of anything?

This is the year in which we are called to look, to see. Yes! LOOK AGAIN! Look and see what it is that God is saying over what the world is shouting. Remember, when Christ came, He

brought with Him the Kingdom. But for us to get it, He had to cause us to change our understanding, to change how we SEE things. That is why He taught over and over again "...this is what the world says, BUT in the Kingdom..."

The problem is we have been looking, better yet, perceiving things wrong. So, just as the meaning of **SPECERE** is; to look – *more at*. I challenge you to look more, to indeed, LOOK AGAIN. **LOOK AGAIN**, at what may be going on at work; **LOOK AGAIN** at your bills; **LOOK AGAIN** at those disappointments; **LOOK AGAIN** at what the doctor has said to you... I wonder, through what optical glass are you using to see? Is your glass based on the world's perspective or is the Word of God the optical glass

through which you are using to SEE life?

Remember, your Perspective is your viewpoint, your outlook, your standpoint. I ask you, Watchman, are you standing your post as a Watchman of the Lord on the wall to gain the correct perspective? Remember, your Perspective is YOURS...the enemy simply tries to affect and infect your perspective...but I DECLARE that you *WILL*; LOOK AGAIN and SEE what you did not at first SEE; that you *will* listen again and HEAR what you did not at first HEAR; that you *will* UNDERSTAND what you did not at first UNDERSTAND and that you *will* DISCERN that which you did not at first DISCERN! Soar my fellow Eagle Soar...Remember the Higher you go, the better the Perspective you will gain!

## I HAVE ENGRAVED YOU UPON THE PALM OF MY HAND

In 2010, when we are so cautious to seek God's face and not his hand- While we are making every effort to "see beyond" and use our "Faith-eyes" and fearlessly move into all that God has for us- When we focus on the Kingdom and not our individual circumstances, problems, and situations- God wants us to know that He has tattooed a picture of us on the palm of His hands, and He is cheering for us! His eyes are ever upon us! We are constantly on His mind- as is anything held in His

hand. We are near and dear to him. Furthermore, guess what? You can't be plucked out of his hands ([John 10:28-29](#))! The walls of EITI and all within are before Him. As an architect carries plans for a house in his hand, so does God. He carries all of the people that are affiliated with EITI, each purpose and dream of every student, in His hand. God is cheering for us! Not "may be," not "has been," not "was," not "would be," but "God is!" He is cheering for **us**. Through every assignment, every dance, every Module that we

*TEN Mass. Prayer and anointing.*

prepare for, we are ever-present before Him. Yes! At this hour...at this minute...as you read this sentence, there is no need to doubt or give in. He is with us...God is for us !

### Staying Connected with God and One Another Through the Power of Prayer

by Eagle Angel Twyman '09 TEN Prayer Watch Coordinator and Illinois TEN Teacher

We are living in days of disconnection with one another- not just in the world but amongst the people of God. There is separation that we as God's people have caused. We have become disconnected with each other for all the wrong reasons. The enemy is very busy trying to steal, kill, and destroy and trying to get us to abort the mission that God has given each of us. The very clever way that he tries to do that is through division in the Saints of God

In one of the workshops at the Summit, Apostle Pamela said wants us to stay connected as a family. She spoke with tears in her eyes on how it hurts to see Eagles graduate and disappear. I believe that this is how God feels when we don't bother to pray (staying connected) to Him or with each other. Prayer gives Him allows Him to step in to our personal lives. In Philippians 4:6 it says: Be anxious for nothing, but in everything by prayer and supplication with thanksgiving let your requests be made known to God." Just imagine if we were to do this together; one band one sound. The Word of God says that when two or more are gathered in Jesus' name that He will be in the midst. If He will be in the midst of just two or

three and show up and show out, then what more will He do in the midst of hundreds, thousands, and millions?

We are a family, and family sticks together!

This is the time to step up like never before in our prayer lives so that we will be able to see the manifestations of Gods Word! People are waiting on our prayers in the cities, states, and nations. All of us have the power to bring God's will on earth through prayer so the world can be healed and transformed by His grace. Another example in the Bible shows what happens when we don't come together and pray:

In Mark 14:34,37-41 We find Jesus with His disciples in the Garden of Gethsemane. Jesus went to pray and asked in verse 34 if they would stay and watch. In v. 37 Jesus comes back from praying to the Father and said: "Simon are you sleeping? Could you not watch one hour?" Verse 38 says: "Watch and pray lest you enter into temptation. The spirit is indeed willing but the flesh is weak." In v. 40 Jesus comes back a second time and catches them sleeping again, and He goes back to praying. In v. 41 He comes back for the third

and final time to find sleeping yet again. The next thing you know Jesus was betrayed into the hands of sinners. What happens when we don't watch and pray with and for one another? There are times when we are weak and need to touch and agree or intercession on our behalf. Prayer watch allows for this as well as covering during a time where the enemy is attempting temptation.

Eagles, today I beseech you to stay connected with each other through prayer be it face to face, email, or phone. We are like a big pot of soup with prayer being the meat which is the main ingredient; some of us are celery, some are carrots, some tomatoes, some onions, some are the broth. When we all come together with the meat of prayer, others will be able to taste and see that the Lord is good! We have set up prayer watches within EITI to help us to stay connected through the power of prayer. This year we are pleased to announce prayer watches for our TEN Worldwide starting in February/March. Eagles, please join us as we bombard heaven in prayer! Let's start this year off right with our effectual fervent prayers, loving on one another, walking sided by side in unity and staying connected

## IRON SHARPENS IRON - WHAT A BLESSING!

Attending The Eagles Network ("TEN") was an extraordinary God-given tool to further train and educate me in the call to the ministry of dance. The experience and training received was refreshing and a blessing. The lessons presented were rich and biblically sound and have created a new move of the Holy Spirit in the Unity & Praise Liturgical Dance Ministry at Harvest Ministry Church, Elizabeth, New Jersey. I had never studied at such a heightened level as we did in TEN. I walked away from those classes giving God the praise and glory for the whole ar-

mor that He has provided. This type of training is needed throughout the kingdom for the out pouring of the Word of God required in the ministry of dance. The living Word dwelling in the inner man of the dancer is the first layer of garments that we must put on so that we are not ministering out of dry bones before Him and His people. (Eph. 3:14-16). TEN teaches that we must strive to move in the overflow of the Holy Spirit. Hallelujah!!
